

Dear Third Grader,

Welcome to \_\_\_\_\_'s room! You are so lucky to be in this class. I was in this class last year. One thing I liked about being in it was \_\_\_\_\_  
\_\_\_\_\_. I also liked \_\_\_\_\_. The thing I liked the most was \_\_\_\_\_.

You might be a little nervous right now. I know last year I was nervous about \_\_\_\_\_  
\_\_\_\_\_, but \_\_\_\_\_.

I hope you are ready to learn a lot this year! The most important thing I learned was \_\_\_\_\_  
\_\_\_\_\_. My favorite subject was \_\_\_\_\_ because \_\_\_\_\_ was  
also fun when we \_\_\_\_\_. Don't worry, I'm sure you will have a great year! Just make sure that you always \_\_\_\_\_  
\_\_\_\_\_ and \_\_\_\_\_.

Good luck!

Sincerely,
